

WASHINGTON, DC – Congressman Steny H. Hoyer (MD-5) released the following statement in response to the American Legion's recognition of the 111th Congress's support for veterans [here](#)

“We thank the American Legion for their recognition of Congress's hard work to enact legislation that will help our veterans and their families.”

“But there is still work to be done. We are committed to fulfilling our promises to our service members and their families.”
